Johnny:

You mentioned DCP may have an additional amendment to the GPA Motion. FYI it is scheduled on the PLUM Committee Agenda next Tuesday. Can DCP coordinate the additional amendment and introduce at the staff level so the Committee can simply adopt the modification and Motion as amended? Can you advise what is the nature of the amendment? Can you let me know on Monday what is the nature of the amendment and coordinate so introducing and adopting the GPA change goes smoothly?

Thank you Gerald

Heather I anticipate briefing the Council Member on various matters next week and would like to include an update on the GPA reinitiation Motion. If you could forward a copy by early next week, that would be ideal. Much appreciated, Gerald

Hello Planners - So I was wondering if DCP could provide a draft Council Motion sooner than later. Again thank you for the offer. The Council Member returns from Summer Recess this week and I would like to brief him on various items, including this one. Latter part of this week or early next week would be ideal, if at all possible. (We are considering initiating a study on the Transient-Occupancy Tax on a parallel track).

Thanks in advance, Gerald
